**TO:** Interested Persons

**FROM:** Tony M. McClung

**DATE:** July 26, 2004

**SUBJECT:** County Jail Report – July 2004

Enclosed is the County Jail Inmate Information Report for July 2004. This report reflects the inmate population on Thursday, July 1, 2004. This month, all 149 of the functional county jails provided inmate information. The data in this report represents 100 percent of the county jails reporting and 100 percent of the State's population.

In July 2004, the number of inmates held in county jails *increased* by 468 inmates to 33,920. With the opening of additional beds in Bacon County (+ 15 beds) and a new jail in Berrien County (+ 44 beds), the capacity of county jails *increased* by 59 beds to 36,353. The number of inmates awaiting trial *increased* by 482 inmates to 20,231 and the number of sentenced inmates awaiting transfer to State Institutions *increased* by 129 inmates to 4,468.

Next month, the following counties are scheduled to open additional jail beds: Fannin (+ 42 beds), Jefferson (+ 56 beds), Newton (+ 144 beds) and Polk (+ 224 beds). In addition, I am retiring from State government at the end of July; consequently, Brian DiNapoli will be providing this report to you in the future. Should you have any questions, you may contact Brian at 404.679.3147.

The complete jail report for each month from January 1987 through July 2004 is available on the web at: <http://www.dca.state.ga.us/research/publicsafety.html>

<sup>1</sup> In cooperation with the Georgia Crime Information Center, the Georgia Department of Community Affairs compiles and publishes this report for the Georgia Sheriffs' Association and the Association of County Commissioners of Georgia.

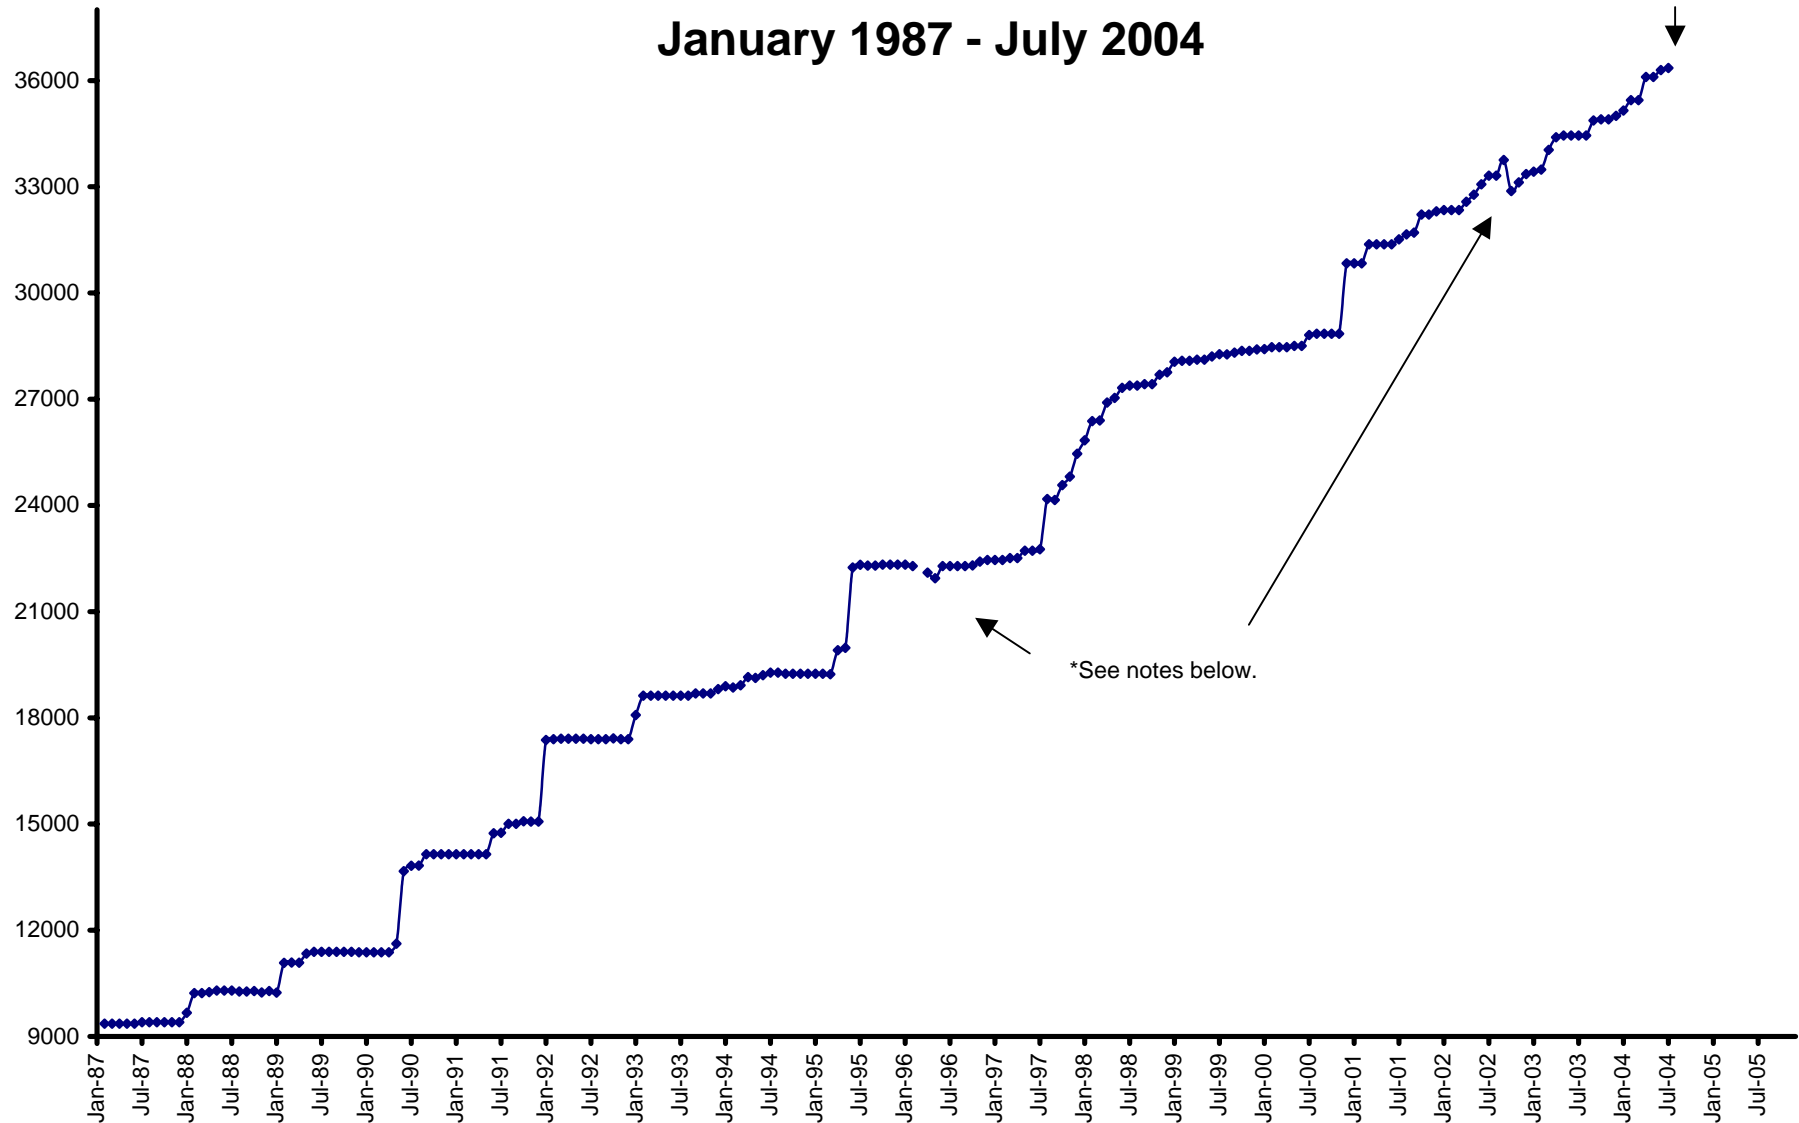

<sup>2</sup> This figure *does not* include jails presently at 100% or that would exceed 100% if not for the boarding out of inmates. Since the purpose of this report is to count the total number of inmates housed in county jails, there are no provisions in this report to separately count the number of inmates sent to other county facilities for housing. Rather, each county reports only on the number of inmates held in their facility on the first Thursday of the month. Inmates that are sent to other county jails for housing are counted by the county jail housing those inmates. Since municipalities do not report inmate statistics, any Sheriff that sends inmates to a city jail for housing should count those inmates in their county totals when reporting to GCIC.
